

Hazardous Waste Clean Sweep

Many common items like automotive products, household cleaners, pesticides, and home improvement products are hazardous when used, stored, or disposed of improperly. Look for items that contain the following on their labels: **Danger, Warning, Caution, Poison, Combustible, Flammable, Corrosive, and Toxic.**

Thanks to our participants and volunteers, since our collection started in 1985, we have collected 1,220,828 pounds of unwanted chemicals.

Manitowoc County Highway Shop 3500 HWY 310

Residents

Saturday, **May 17**, 9am - Noon

Farms and Businesses

Friday, **May 16**, 2pm - 4pm

Pre-registration is required by May 9

Call 920-683-4333

Many cleansers, home improvement products, automotive products and pesticides can be dangerous when stored or disposed of improperly. They can contaminate the soil, water, and air when spilt or illegally dumped. Improperly stored items could be involved in accidental poisonings of children and pets. The Clean Sweep Program provides an opportunity to safely dispose of these materials for free and for eligible businesses to save on their disposal costs.

All of the collected items are properly recycled, neutralized or disposed of at special disposal sites or hazardous waste incinerators that render the materials harmless.

The Manitowoc County Clean Sweep is part of a regional partnership with Sheboygan and Fond du Lac County. It is possible partly through grant funding from the Wisconsin Department of Agriculture, Trade and Consumer Protection, a donation from the Ridgeview Landfill and volunteer labor.

REDUCTION IS YOUR FIRST CHOICE!

Before you buy:

- Read the labels
- Choose safer alternatives
- Buy the smallest amount needed for the job

After you buy:

- Follow directions for safe use
- Store properly in the original container
- Share what you can't use
- Dispose of leftovers properly

ACCEPTABLE ITEMS

- Pesticides and poisons
- Oil and lead based paints
- Wood preservatives
- Solvents
- Aerosols
- Cleansers and polishes
- Contaminated oil
- Antifreeze
- Gasoline
- Mercury and mercury containing devices
- Pool chemicals

Disposal or recycling options exist for many unacceptable items. Contact the Manitowoc County Recycling Center at 920-683-4333 or visit

Recycling.manitowoccountywi.gov

UNACCEPTABLE ITEMS

- **LATEX PAINT***
- Explosives such as ammunition
- Radioactive materials such as smoke detectors
- Compressed gas tanks such as fire extinguishers and propane tanks
- Unknown chemicals
- Tires
- Infectious and biological waste including sharps
- Light bulbs and batteries
- TVs and electronics
- Appliances
- Freon gases
- Pharmaceuticals

*Residents are encouraged to dispose of latex paint in their trash. Just take the lid off and let it dry or add paint hardener or cat litter. Once hard, latex paint can be disposed of in the trash.

GUIDELINES

- Household and farms may dispose of acceptable hazardous waste items at no cost.
- Participants must be residents of Manitowoc County.
- Wastes must be brought in the original containers. Keep materials separate. Do NOT mix chemicals.
- To prepare materials for transport, line a cardboard box with a plastic bag, place them in the box and separate with cardboard.
- Place items in your trunk or the back of your vehicle.
- Gas cans, totes, and other containers will not be returned.
- When arriving at the Clean Sweep site, slow down and follow traffic directions.
- Remain in your vehicle at all times.
- Do not come before or after the listed times.
- Farms and businesses must register by May 9. Call 920-683-4333 for information.
